WE ARE BUILDING MOMENTUM

CONSTRUCTION UPDATE

Mason Street and Broadway Intersection is open!

As part of the Milwaukee Streetcar project, work along Broadway is progressing. Beginning Thursday, August 17, the intersection at Wells Street and Broadway, will close to eastbound and westbound traffic. This closure is anticipated to last approximately two weeks. We plan on fully closing the intersection for a short period of time in the future. We will send an update with those dates when they are scheduled. Local access to driveways and parking structures will be maintained. Motorists are advised to utilize Kilbourn Avenue, Mason Street, Michigan Street, or Clybourn Street as an alternate route.

Be assured that we always work hard to minimize the impact of these events, but, if you have a concern do not hesitate to contact us. The project team appreciates your patience during this period of construction in your area.

***All work is weather dependent and subject to change**

ECONOMIC DEVELOPMENT → JOBS → TRANSIT → EXPANDED TAX BASE
