CONSTRUCTION UPDATE

THE MILWAUKEE STREETCAR IS MAKING ITS WAY TO THE THIRD WARD!

After Labor Day, crews will be beginning work in the Third Ward on E. St. Paul Avenue, Broadway and Milwaukee Street for the Milwaukee Streetcar. The first phase is the Overhead Contact System (OCS) foundation and sewer work. This phase is immediately followed by construction of the tracks. Broadway will be closed north of St. Paul Avenue to Clybourn Street. St. Paul Avenue will be one way eastbound from Broadway to Milwaukee Street. Sidewalks will be periodically closed, pedestrians will have access on either the northern or southern sidewalks.

Be assured that we always work hard to minimize the impact of these events, but, if you have a concern do not hesitate to contact us. The project team appreciates your patience during this period of construction in your area.

***All work is weather dependent and subject to change**
