MOMENTUM

## CONSTRUCTION UPDATE

Beginning Monday, July 17, the intersection of Broadway and Clybourn Street will fully close. This closure is anticipated to last two weeks. As a detour, motorists should turn right (north) on Milwaukee Street, left (west) on Michigan Street, left (south) on Water Street then right (west) on Clybourn Street. The intersection of Michigan Street and Broadway will be open at this time. Eastbound traffic on Clybourn Street will remain open to the I-794 East (southbound) entrance ramp. Westbound I-794 traffic are advised to utilize the Jackson Street entrance ramp. WE Energies will have some work on Clybourn Street, between Lincoln Memorial Drive and Van Buren Street.

Be assured that we always work hard to minimize the impact of these events, but, if you have a concern do not hesitate to contact us. The project team appreciates your patience during this period of construction in your area.
