

PARDON OUR PROGRESS

WE ARE BUILDING  
MOMENTUM

## CONSTRUCTION UPDATE

As part of the Milwaukee Streetcar project, work along Broadway is progressing. Beginning Monday, July 10, through traffic along Michigan Street, at Broadway, will close. Motorists traveling along eastbound Michigan Street will still be able to turn right (south) on Broadway during this time. This closure is anticipated to last approximately one week. Local access to driveways and parking structures will be maintained. Motorists are advised to utilize Kilbourn Avenue, Wells Street, Wisconsin Avenue, or Clybourn Street as an alternate route. Be advised, there is utility work on Milwaukee Street.

Be assured that we always work hard to minimize the impact of these events, but, if you have a concern do not hesitate to contact us. The project team appreciates your patience during this period of construction in your area.

**\*All work is weather dependent and subject to change**
